

Colombia Excelso Tulipa Antioquia

Region: Antioquia

Variety: Arabica Blend

Process: Washed

Altitude: 1700 - 1800 m

Profile: Bright acidity, medium body, and elegant flavour
notes of fruity sweetness and subtle
herbal nuances

Score: 83

Over the years, the term Excelso has held a few different meanings. What has not changed, however, is that only the best Colombian coffees are permitted to be exported.

Excelso is supplied in steady volume throughout the year. In the cup, it displays a reliably distinctive combination of body and acidity.
