

India KAAPi ROYAL 18

Region: Hassan & Kodagu

Variety: Robusta

Process: Washed

Altitude: 900 m

Profile: Brown sugar, corn, nuts

Score: 79

Indian Kaapi Royale is one of India's finest washed Robustas, considered as specialty coffee. It is an A grade coffee, meaning it is free from primary defects. Kaapi Royale typically has a big body and a predominant spice and chocolate cup profile, without any bitter flavours you would expect in Robusta. The coffee is washed, which greatly enhances its clean cup profile.

HASSAN, KODAGU

With its stunning landscapes, rolling hills and dense forests, Kodagu is an ideal region for growing Robusta coffee. Coffee farms are often combined with spice plantations, resulting in a unique blend of tastes and aromas. Kodagu is renowned for its high-quality coffee plantations.

Hassan is a district renowned for producing Arabica and Robusta coffee. The estates based here practice sustainable farming and produce a coffee that balances the smoothness of Arabica with the robustness of Robusta.
